Become a KSA Member

Membership Benefits

Connections. Convenings. Amplification. Promotion. Collaboration. Advocacy. Leadership.
That's what membership in KSA is about.

Connections + Convenings

We **facilitate connections** between our members, and **convene** on topics that matter. We host:

- Member Socials
- Kendall Conversations
- Innovation Tours
- Leadership Dialogues
- Workshops
- Peer Meet-ups
- Community Events
- Signature Events
  - Kendall Square Challenge
  - Annual Meeting Celebration

Amplification + Promotion

We **amplify** our members—their work, their accomplishments, awards, breakthroughs, contributions, initiatives, and the impact they make on the world. We **promote** what happens here in multiple ways:

- Weekly newsletter, *Kendall Now*
- LinkedIn and Instagram
- Hosting delegations with visitors from around the globe
- Connecting with media
- Kendall Calendar featuring 1,000+ mostly free member-hosted events, from lectures and networking to fitness, farmers' markets, art openings, and more
- Attracting people to Kendall Square to work, stay, dine, play, connect, and be inspired
- Tell the Kendall Square story locally, regionally, and globally

Collaboration + Advocacy

We bring people together, gather data, listen to our members, and identify opportunities for game-changing **collaboration**. We focus on the challenges and opportunities of today and tomorrow in a range of fields from AI, to energy infrastructure, life science, quantum, and culture. Our **advocacy** makes an impact. We strive to ensure a vibrant, innovative, sustainable future by:

- Building consensus to foster our ecosystem's economic competitiveness and leadership in the innovation economy
- Advocating for Kendall Square with government officials in the city, state, region, and beyond
- Strengthening ties with organizations whose missions align with ours
- Connecting our members with neighbors as well as people and organizations from around the globe

Leadership + More

Our members have opportunities to **lead** and to **shape the future** by serving on our Board of Directors, Emerging Leaders Board, and Board Alumni Council.

Additional benefits include complimentary Kendall Tours customized to each member, and special rates at MassBioHub, MIT Endicott House, and select conferences throughout the year.

KENDALL SQUARE ASSOCIATION

Kendall Square is where science happens, and innovation is born.

Purpose-driven people and organizations thrive here. We work collaboratively to solve the world's biggest challenges.

When you join KSA, you, your colleagues, and your organization all become part of the purpose-driven Kendall Square ecosystem.

You can count on KSA to bring our ecosystem together, and to advocate for a vibrant, sustainable future for all of us.

When You Join Us

Joining KSA means feeling immediately **celebrated** and **connected**.

We look forward to **welcoming** you with a shout-out in our media channels. From there, we'll announce your awards and achievements, share your events, and acquaint you with members of our ecosystem.

Our members' employees are welcome to our events and programs. We encourage all to subscribe to our weekly newsletter — and to follow us on LinkedIn and Instagram—so everyone is sure to know what's going on in Kendall Square.

DID YOU KNOW? **107** Nobel Prize Laureates from Kendall Square
