

Become a KSA Member

Membership Benefits

**Connections. Convenings. Amplification.
Promotion. Collaboration. Advocacy, Leadership.**
That's what membership in KSA is about.

Connections & Convenings

We facilitate connections between our members, and convene on topics that matter. Our members become part of something bigger than themselves. Meaningful, fun, and philanthropic, our events include:

- Nine Member Socials
- Six Kendall Conversations
- Five Innovation Tours
- Multiple Professional Peer Meet-ups and community events
- Two Signature Events
 - Kendall Square Challenge
 - Annual Meeting Celebration

Amplification & Promotion

We amplify our members—the work they do, their accomplishments, awards, breakthroughs, contributions, initiatives, and the impact they make on the world. We get the word out through multiple channels, including through our:

- Weekly newsletter, Kendall Now
- Kendall Calendar featuring 1,000+ member-hosted events, from lectures and networking to fitness, farmers' markets, art openings, and more
- Meetings with delegations from around the globe
- Print and broadcast media contacts
- Social media, LinkedIn and Instagram
- Experience Kendall Campaign to attract more people to Kendall Square to work, stay, dine, play, connect, and be inspired.

Collaboration & Advocacy

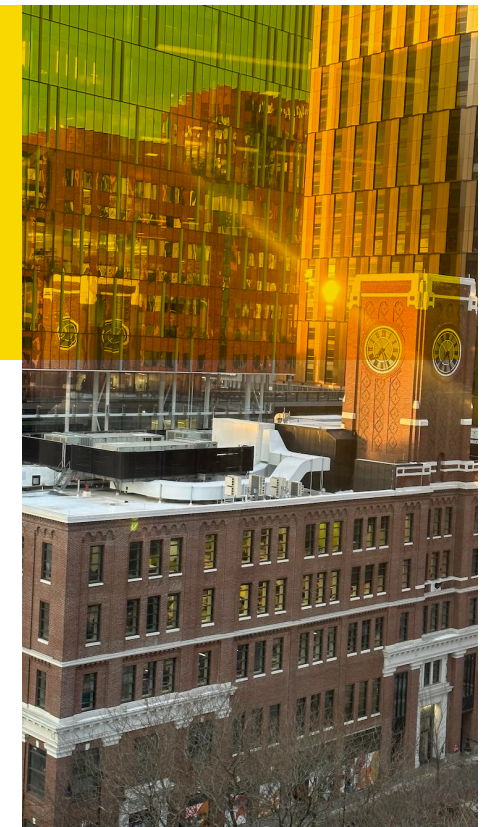

We bring people together, gather data, listen to our members, and identify opportunities for game-changing collaboration. We focus on AI, energy, infrastructure, life science, quantum, or culture, in our evolving innovation ecosystem, working collectively we make an impact. We strive to ensure a vibrant, innovative, sustainable future through:

- Building consensus to foster our ecosystem's economic competitiveness and leadership in the innovation economy
- Advocating with government officials in the city, state, region, and beyond
- Strengthening ties with organizations whose missions align with our ecosystem
- Connecting our members with our neighbors

Leadership & More

Our members have opportunities to shape the future on our Board of Directors, and to lead by serving on the Emerging Leaders Board, and Board Alumni Council.

Additional benefits include a complimentary Innovation or ArtWalk tour customized to each member, and special rates at MassBioHub, MIT Endicott House, and select conferences throughout the year.

Kendall Square is where science happens, and innovation is born.

Purpose-driven people and organizations thrive on our energy and work collaboratively to solve the world's biggest challenges.

When you join KSA, you, your colleagues, and your organization all become part of the Kendall Square ecosystem.

You can count on KSA to bring our ecosystem together, and to advocate for a vibrant, sustainable future for all of us.

When You Join Us

Joining KSA means feeling immediately celebrated and connected.

We look forward to welcoming you with a shout-out in our media channels. From there, we'll announce your awards, and achievements. Share your events, and acquaint you with members of our ecosystem.

Our members' employees are welcome to our events and programs. We encourage all to follow our weekly newsletter—and to follow us on LinkedIn and Instagram—so everyone is sure to know what's going on in Kendall Square.

***If you are a startup or emerging company, join us.**
