What is the Kendall Square Challenge?

The Kendall Square Challenge is the KSA's signature summer event.

This event provides an unparalleled day of team building for Kendall employees and connectivity across our innovative and purpose-driven community. Teams spend an afternoon completing a series of fun and engaging missions across Kendall Square in support of eight local nonprofits. The day culminates in a celebration to present checks to our nonprofit partners and the Kendall Cup to the first place finisher! Join us for an adventure-filled afternoon of friendly competition, team building and philanthropy.

Enroll Your Team!

Up to 10 participants per team
