

# 2022 Member Programming

Kendall Square Association enables the future by connecting the people changing the world.

## Signature Events

### Kendall Square Challenge

Back and bigger than ever, the Kendall Square Challenge offers a day of team building for your company and connectivity across our community's hottest life science and tech companies. Teams spend an afternoon completing a series of missions to support six local nonprofits culminating in a celebration to present checks to the winners and the presentation of the Kendall Cup to the first place finisher!

### Annual Meeting

This celebratory event spotlights the successes of our innovation ecosystem as it pioneers solutions to global problems and leads the charge on the future of work. Open to anyone interested in attending, our Annual Meeting draws employees from across Metro Boston..

## Member Programming

### Kendall Orientation

This interactive presentation highlights the place and perspective that is Kendall by taking you on a virtual walk through its past and present achievements and assets, followed by moderated networking with Kendall employees to establish new connections.

## Inclusion Drives Innovation

This ten-week professional development program is designed by and for Kendall Square Association members focused on building anti-racist organizations by activating a team of change agents. This program uses race as a foundation for learning, connecting senior executives, people managers, HR professionals, diversity specialists, and affinity group leaders.

## Future of (how we) Work Task Force

This monthly, topical meeting answers critical questions about evolving workplace dynamics through collaborative, real-time problem solving and benchmarking with senior leaders from the tech and life sciences industries.

## Community Impact Working Group

This group brings together corporate social responsibility leaders to create an agenda for enhancing equity, sustainability and corporate engagement in Cambridge. Together, these leaders share organizational learning between Kendall businesses and the Cambridge community in order to ensure efforts are effective, aligned and responsive to the City's needs.
