

2022 Member Programming

Kendall Square Association enables the future by connecting the people changing the world.

Signature Events

Annual Meeting

This celebratory event spotlights the successes of our innovation ecosystem as it pioneers solutions to global problems and leads the charge on return to work. Open to anyone interested in attending, our Annual Meeting draws employees from across Metro Boston and beyond.

Kendall Square Challenge

This team building event heightens connectivity among the hottest life science and tech companies as teams spend an afternoon competing in physical, intellectual, and community-based missions across Kendall Square.

Crescendo

Celebrate Kendall's remarkable achievements alongside senior leaders from the tech and life science community with Crescendo. This year-end social event is designed to reflect on our members' stories of impact and look ahead to 2023.

Member Programming

Kendall Orientation

Monthly

This interactive presentation highlights the place and perspective that is Kendall by taking you on a virtual walk through its past and present achievements and assets, followed by moderated networking with 100+ Kendall employees to establish new connections.

Inclusion Drives Innovation

Spring and Fall

This ten-week professional development program is designed by and for Kendall Square Association members focused on building anti-racist organizations by activating a team of change agents. This program uses race as a foundation for learning, connecting senior executives, people managers, HR professionals, diversity specialists, and affinity group leaders.

Future of (how we) Work Task Force

Monthly

This monthly, topical meeting answers critical questions about evolving workplace dynamics through collaborative, real-time problem solving and benchmarking with senior leaders from the tech and life sciences industries.

Transportation ADVANCE

Quarterly

These quarterly convenings build on KSA's work to help employers address common challenges in enabling sustainable and convenient commutes for their employees, with an emphasis on flexibility and building better habits as we return to the workplace.
